**CL 409**

The economic  
electromobile

E-POWER

# Stroll Comfortably through the city

The new CL 409 is a reliable companion for everyday life – whether shopping in the shopping center, sightseeing in the city or a trip to the park. Its seating system with infinitely adjustable back angle and high seating comfort is unique in its product class. It convinces its users with a comfortable seating position even on longer distances. The dashboard is clearly structured and ensures simple and intuitive handling – so nothing stands in the way of an endless city tour!
